

FARRAH SIT

ARC

sconce

Capturing the charged stillness felt before electricity leaps across a void, ceramic shades accented with sharp brass points are poised to continue the circuit. The design is a visual exploration of energy that harnesses the intrigue of tension.

Dimensions	6.6" w x 9.4" d x 26" h
Materials	Ceramic Brass
Lead Time	6-8 weeks
Lamping	Dimmable LED bulb included G9 base UL listed 120V 220-240V upon request Requires a single gang junction box centered to fixture

181 N 11th St. #205 Brooklyn, NY 11211
