

FARRAH SIT

SERPENTINE

Ceramic Sconce

In this sandy slipcast ceramic wall sconce, generous curves are paired with crisp edges. The repetition of geometry create a three dimensional flow. The sconce snakes up and off the wall, a sculptural lighting piece that's understated, and artifact-like.

Dimensions	4" w x 4" d x 21" h
------------	---------------------

Shown	Ceramic
-------	---------

Lead Time	4-6 weeks
-----------	-----------

Lamping	G9 base, Dimmable LED Hand blown glass diffuser UL listed Suitable for damp location 120V bulb is included / International voltage bulb available on request.
